

YORK RAKES
MODERN IMPLEMENTS
LIMITED 90 DAY WARRANTY

York Modern Corporation (**York**) agrees to repair or replace, at its option, its products, if:

1. Defects appear in the product within 90 days after its delivery to its first user;
 2. The defects are caused by faulty material or workmanship in manufacture of the product and not to:
 - a. Acts or neglect of the owner or entities other York,
 - b. Owner's failure to maintain the equipment in accordance with the instructions in the document to which this warranty is attached on delivery,
 - c. Owner's failure to use equipment in a reasonable manner and under normal working conditions;
- (Note:** Rake teeth, scarifier teeth, and the blade are expected to require replacement periodically. Frequency will depend on the magnitude and character of use.)
3. Owner mails notice to York of the manner of the defect within 30 days of its discovery by first class mail addressed to York Modern Corporation, P.O. Box 488, Unadilla, New York 13849, or by a telephone call, within the same period, to York Modern Corporation (800) 643-YORK or (607) 369-7111, and thereafter forthwith presents the product for repair or replacement as directed by York in response. If a replacement is indicated the defective parts must be returned to York.
 4. This warranty does not cover components used in our products that are covered by their own manufacturers warranty,

Except as set forth above, York makes no warranty of its products and agrees to no remedial action on its part for defects in its products. York specifically disclaims any implied warranties, including implied warranties of fitness for use and merchantability (unless the product is of a type normally used for personal, family or household purposes, in which case all implied warranties are effective but limited in duration to the 90-day period specified above for the express warranty). York specifically disclaims any liability for consequential damages of any kind arising out of defects in the product except to the extent that such disclaimer is legally ineffective.

Some states do not allow limitations on how long an implied warranty lasts and some do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation on the implied warranty length and the above exclusion of consequential damages may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
